Sukhdeep Singh

CS Grad @ UBC | Actively looking for Software Engineering Roles
Vancouver, British Columbia, Canada

Summary

 Recent CS Graduate | Passionate about Tech & Innovation | Open to Exciting Opportunities

Hello, and welcome to my LinkedIn profile! I'm a recent Computer Science graduate from the University of British Columbia, driven by a relentless curiosity and a passion for technology.

Throughout my academic journey, I've had the opportunity to dive deep into the world of algorithms, data structures, and software development. My coursework, projects, and internships have equipped me with a strong foundation in computer science and the skills required to tackle complex technical challenges.

As I embark on the exciting journey of transitioning from academia to industry, I'm eager to bring my fresh perspective, enthusiasm, and determination to a dynamic tech team. I am particularly interested in roles related to software development, data science, artificial intelligence, and machine learning.

I am actively seeking opportunities where I can contribute my problem-solving mindset and embrace innovation in a collaborative environment. I value continuous learning, teamwork, and staying on the cutting edge of technological advancements.

Let's connect and explore how we can work together to create meaningful and impactful solutions. Feel free to reach out via messages or at sukhdeepsingh1612@gmail.com. I'm always open to networking, discussing opportunities, and sharing insights with fellow tech enthusiasts and professionals.

Thank you for visiting my profile, and I look forward to connecting with you!

Experience

Wefley Tech Lab
Full Stack Developer
September 2022 - August 2023 (1 year)
Vancouver, British Columbia, Canada

●Developed multiple full-stack SaaS applications including E-Commerce stores, CRM, LMS and IoT Systems for 10+ clients, integrating Angular, React, NodeJS, and Python to meet diverse project requirements
● Proficiently utilized modern tools (HTML, CSS, JavaScript libraries) to create responsive and user-friendly interfaces, enhancing overall user experience and leading to tangible business impact
● Performed API development and delivery of scalable web applications in a continuous deployment environment

KiwiTech
Junior Software Developer
May 2022 - September 2022 (5 months)
Noida, Uttar Pradesh, India

● Worked on a custom software development company that provides end-to-end technology services to clients all over the world.
● Developed efficient and scalable code using React.js, Node.js, and Express.js for the front-end and back-end development of web applications.
● Collaborated with a team of developers to ensure timely delivery and adherence to project requirements. Utilized Git for version control and Agile development methodologies to deliver the project on schedule.

Skechers
Sales Associate
September 2021 - December 2021 (4 months)
Vancouver, British Columbia, Canada

●Provided exceptional customer service, achieving or surpassing sales targets by assisting customers in finding the perfect footwear and recommending products based on their preferences and needs.

- Demonstrated in-depth knowledge of Skechers' product line, effectively communicating the features and benefits of various shoe styles to enhance the customer shopping experience.
- Worked as part of a collaborative team to maintain an organized store layout, assist with inventory management, and resolve customer concerns in a professional and positive manner.

Walmart Canada
Fulfilment Associate
September 2019 - December 2019 (4 months)
Kelowna, British Columbia, Canada

- Achieved consistent on-time order fulfilment, exceeding performance targets by accurately picking and packing items to ensure timely customer delivery.
- Collaborated effectively with a diverse team to streamline fulfilment processes, resulting in improved efficiency and a reduction in errors.
- Prioritized safety protocols and actively contributed to a secure working environment while also collecting and utilizing customer feedback to enhance the overall shopping experience.

Education

The University of British Columbia
Bachelor of Science - BS, Computer Science · (September 2019 - April 2023)

Trent University
Bachelor's of Computer Science, Computer Science · (2018 - 2019)

Vivek High School
High School Diploma, Science Stream · (2016 - 2018)

Vivek High School
High School Diploma · (2003 - 2018)
